The mission of **Good Life Ministries** is to share the love of Jesus Christ through educational programs, evangelical outreach, and humanitarian efforts. We are devoted to cultivating character and repairing relationships, encouraging individuals with transformed lives to contribute positively to their communities. The programs of GLM include medical/eye camps, digging wells, natural disaster assistance, a training center that offers classes in various applicable skills, and both day schools and a boarding school. We strive to build character and restore relationships in individuals, enabling and encouraging them to give back to their communities through transformed lives.

Thousands of families are stuck in a cycle of incarceration. **New Horizons Ministries** exist to break the cycle in both incarcerated adults and their children. Many people who are in prison are stuck in a cycle of repeated crimes and incarceration, which also has lasting effects on their children. When a parent goes to prison, children are seven times more likely to go to prison themselves as juveniles or adults. Through our programs, we help these families live out their God-designed destiny by caring for pregnant moms in prison, children who have a parent in prison, and providing trained chaplains who disciple men and women in prison. Through the love of Christ and the power of the gospel, adults and children can break free from the cycle of incarceration and experience true freedom.

Life First Pregnancy Resource Centers is a Christ-centered ministry that upholds the sacred value of human life by offering life-affirming alternatives to abortion. We offer *free* pregnancy tests, ultrasounds, options counseling, parenting classes, abortion recovery classes and the invitation into a relationship with Jesus Christ to the most abortion-minded women in our community.

We share the love of Jesus in a safe and confidential environment. We believe the ministry of caring for mothers, babies, and families is a tangible way to express the love of God. Proceeds from this year's auction will benefit the expansion of the ministry so we can rescue more babies and share Jesus with parents.
