— 25 YEARS — OF GOD'S BLESSING

Dayspring Youth held an auction in 2001 to help finish the church building, never imagining it would become an annual event. Every year since then, the auction has supported Christian ministries. Only God knows the total dollars raised and lives touched but it is a joy to help grow His Kingdom in this way. In 2025, God was faithful again and people gave generously.

Total Proceeds in 2025: \$129,000

YOUR SUPPORT BENEFITS:

At Life First, our mission is that every woman and man who walks through our doors while facing an unplanned pregnancy encounters the love of Christ and experiences the life-transforming power of His grace.

Because of the faithful generosity of our supporters, every service we provide is offered completely free of charge. Pregnancy tests, ultrasounds, options counseling, parenting classes, abortion recovery Bible studies, and practical resources allow us to meet both the physical and spiritual needs of every patient we serve. We currently have three medical centers located in Manassas, Woodbridge, and Dumfries.

As a Christ-centered ministry, the Gospel is at the heart of everything we do. This year, we have celebrated more than 50 professions of faith as women and men discovered the hope, forgiveness, and new life found in Jesus Christ.

Life First is sustained entirely through the generosity of faithful partners. Together, we are making an eternal difference—one life, one family, and one heart at a time.

YOUR SUPPORT BENEFITS:

Help Build Incarceration-Free Futures

Your generosity brings connection, hope, spiritual healing, and lasting change to individuals and families impacted by incarceration.

Because of your support:

- Children with a parent in prison get to experience love, stability, and joy through foster care, kids clubs, and summer camps.
- Men and women behind bars hear the Gospel, build real relationships, and grow through one-on-one discipleship and the care of full-time chaplains.
- Families impacted by incarceration are met with compassion and support as they work toward healing and rebuilding their lives.

Your generosity allows Chaplains and Children's Ministry staff to provide faithful presence, walking alongside families with a loved one in prison.

One person at a time, this is how the generational cycle of incarceration is broken.

YOUR SUPPORT BENEFITS:

Because of your faithful support, impoverished children and their families are experiencing practical care and the hope that only Christ can bring. Whether through Vacation Bible Schools, engaging Good Life Clubs, nurturing schools and Children's Home, computer training centers, compassionate medical and eye camps, or disaster relief efforts, your partnership enables us to meet immediate needs while demonstrating the compassion of Jesus and sharing the life-changing hope of the Gospel.

Your gift creates a ripple effect that reaches far beyond one life. As one child experiences the love of Christ, that hope is often shared with parents, siblings, friends, and neighbors—extending the impact of your generosity from one heart to another.
